

## **CURRICULUM AND PROGRAM GUIDES**

### **Background**

To assist teachers in the delivery of the curriculum, relevant materials must be readily available.

### **Procedure**

1. The Principal shall maintain a complete set of curriculum guides.
2. The Principal will ensure that each teacher shall have in his/her possession the relevant Saskatchewan curriculum guides.
3. The Principal shall acquire and distribute such Provincial or Division support materials as is required.
4. The selection of texts and resource materials shall follow the steps outlined in Administrative Procedure 250 – School Resource Centre.
