

Scholarship & Bursary & Awards

SCHOLARSHIPS & BURSARIES

Background

Northern students may face unique challenges in following their particular educational pathways.

The Division shall provide scholarship and bursary funds to assist in defraying expenses of selected students who attend post-secondary level institutions or training centers, and who are judged by the Division to be outstanding students in any one (1) or a number of areas of instruction.

Procedures

1. The Board will determine the amount of monies available and the number of students who can be assisted on an annual basis.
2. Criteria based upon student aptitude, scholarship, financial need, staff recommendation, etc. will be used in determining eligible students. These criteria are to be included in a student handbook, along with the method of applying for the bursary/scholarship.
3. Scholarship and bursary selection will be made by the Director (or delegate) based on the criteria set by the Board.
4. Publicity relating to the awarding of scholarships/bursaries is the responsibility of the Communications Officer.
