

Administrative Procedure 380

STUDENT REPRESENTATIVE COUNCIL

Background

Student participation in Student Representative Council activities can be a positive learning experience. The Division therefore, strongly encourages and supports the organization of Student Representative Councils.

Procedures

Activities of Student Representative Councils can be enhanced by:

1. Assistance from the school administrative staff in organizing Student Representative Councils.
2. Guidance and direct assistance for the Student Representative Council given by a school staff member who willingly undertakes the responsibility.
3. Direct involvement of the Student Representative Council in school policy matters of direct concern to students.
